Women's Health and Cancer Rights Act of 1998

In October 1998, Congress enacted the Women's Health and Cancer Rights Act of 1998. This notice explains some important provisions of the Act. Please review this information carefully. As specified in the Women's Health and Cancer Rights Act, a plan participant or beneficiary who elects breast reconstruction in connection with a mastectomy is also entitled to the following benefits:

- ✓ Reconstruction of the breast on which the mastectomy was performed;
- ✓ Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- ✓ Prostheses and treatment of physical complications at all stages of the mastectomy, including lymphedemas.

Health plans must determine the manner of coverage in consultation with the attending physician and the patient. Coverage for breast reconstruction and related services may be subject to deductibles and coinsurance amounts that are consistent with those that apply to other benefits under this plan.

Notice of Special Enrollment Rights

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance coverage, you may in the future be able to enroll yourself or your dependents in this plan, provided that you request enrollment within 30 days after your other coverage ends. In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents, provided that you request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption. See Human Resources with additional questions related to special enrollment provisions.

Loss of Medicaid or CHIP entitlement

Employees and dependents who lose eligibility under a Medicaid plan or CHIP and employees and dependents who become eligible for a premium assistance subsidy under Medicaid or CHIP must be given 60 days after the loss of coverage or determination of eligibility for assistance to request coverage under the group health plan.

Authorization

(!) By signing below, I authorize voluntary payroll deductions in the amount listed above. I acknowledge that my medical/dental elections will remain in force for the entire plan year, unless there is a change in my family status. I also understand that I will not be eligible to make a new decision until the next open enrollment or unless I notify my employer within 30 days of a qualifying life event. Qualifying events include but are not limited to: birth or adoption, marriage or divorce, new court order to cover a dependent, and loss of coverage elsewhere.
